Hello Ximena!

We are so excited to be able to write you this letter. Let me tell you a little bit about our family. Jim and I are married and have 3 children- Grace, Jordan and Xavier. They are all in school. When not working or in school our family enjoys playing games together, mountain biking and watching movies!

We would love to learn more about you and your family- what are some things that you like to do? Do you play with your brothers and sisters a lot?

We want to remind you that God loves you so very much, he has great things planned for you. One of my favorite verses is Philippians 4:13, "I can do all things through Christ who strengthens me."

Looking forward to your next letter!

Pam, Jim, Grace, Jordan and Xavier

Greetings Ngoye,

I was so excited to receive your last letter. It seems like you really enjoy school and are doing your best! I have enjoyed learning more about Bethesda School and seeing some pictures- what a great place.

You shared that your favorite subject was art- I was never to great at art, but I loved math. It brings a smile to my face knowing that you are finding things at school that make you happy. I pray that you continue to work hard at your studies.

Send my greetings to you and your family, I pray for you each day- for God's blessing and favor over your life.

EXAMPLE LETTER 3

Jesus (Name)
HOPE (Feeding Center)
cs0035-GTM (child code)

Greetings Jesus,

I have learned so much about HOPE and all the fun activities that you get to do when you attend. I love music- do you have a favorite song or instrument that you like to play. I love all different types of music.

How is school going for you- I pray that you are doing well and trying your hardest. I know school can be hard sometimes, but it is so important. I believe God has big plans for your future, trust in him and you will find success.

In my last letter I introduced our family a little bit. John and I are still working, but it is spring here so we are spending more time outside in the sunshine. The kids are both playing sports. Do you have a favorite sport you like to play?

Can't wait to hear back from you- your letters mean so much to me!

Hi El Hadji,

I loved getting your photo and learning more about you and your family. You have a lot of kids in your family, we only have 2. You must never get lonely, what a blessing! Are you one of the older kids or younger kids?

Can you tell me more about Grace School? Who is your teacher, and what is your favorite part of the day? Mine was always math or recess. I loved getting time to be with my friends.

I want you to know how important you are to me and to God. He loves you and finds great joy in you! Do you have a favorite bible verse? One of my favorites is Deuteronomy 31:6, "Be strong and courageous, do not be afraid, for the Lord, your God is with you."

Until next time,
